CAREER COUNSELLING

5.1.2: Efforts taken by the institution to provide career counselling including e-counselling and guidance for competitive examinations during the last five years.

Career counselling assists students in understanding the various career paths available to them and how to pursue these options. It also helps students recognize their interests, skills, strengths, and weaknesses, explore different career possibilities, and create a strategic career plan. This Higher Education Institution (HEI) is dedicated to fostering students' empowerment and overall development and has implemented extensive measures to offer career counselling and guidance on competitive exams and career choices.

Career Counselling Cell of B.J.B Autonomous College offers counselling to the students in many ways. It includes individual counselling, group counselling, workshops, seminars, webinars, skill training programs. Experts from industries and Alumni of this institution are offering and guiding the students regularly towards their career opportunities.

Students and teachers discuss about different career options, career planning during “Mentor-Mentee” meetings and Proctorial classes organized by the departments of this HEI. Departments also organize seminars, webinars, and alumni-student interactions to discuss different career options.

The institution offers assistance and guidance to students preparing for national and state-level competitive exams such as UGC NET/JRF, OPSC and UPSC. Teachers and expert resource persons conduct interactive sessions to inform students about career opportunities and various job-related exams.
