2. CPET-2023 is compulsory for all the aspirants interested to take admission in the listed PG courses in the mentioned Universities and Colleges offering PG courses (<https://pg.samsodisha.gov.in/UniversityWiseIntakeCapacity.aspx>/<https://pg.samsodisha.gov.in/InstituteWiseIntakeCapacity.aspx>) in the State of Odisha for the Academic Session 2023-24.
3. Before proceedings with the application process, the applicants are advised to go through the link <https://pg.samsodisha.gov.in/Eligibility.aspx> to check the PG Course-wise eligibility criteria.
  - i. The conversion of Mark to Percentage (%):  $(\text{Secured Mark} / \text{Maximum Mark}) \times 100$
  - ii. The conversion of CGPA to Percentage (%):  $(\text{Secured CGPA} - 0.50) \times 10$
4. Referring to point no.3, applicants securing 45% or 5.0 CGPA in aggregate shall be eligible to apply for PG Courses. The eligibility criteria (45% or 5.0 CGPA) are also applicable for the candidates appearing in the +3-degree examination for the Academic Season 2022-23.
5. During the current academic year, **counseling-based online admission** will be done.
6. Applicants desirous of taking admission into Post Graduate courses of enlisted State Public Universities and Colleges of the State during the Academic Year 2023-24 have to apply through ONLINE mode ONLY. **There will be no OFFLINE mode for submission of CAF.**
7. The online CAF is available on the website [www.samsodisha.gov.in](http://www.samsodisha.gov.in) and can be accessed at any place where Internet facility is available. **Submission of an application does not automatically confirm the right to admission.**
8. During the current academic session, CAF details will be collected from the Applicants in two parts i.e.
  - a) **While applying for CAF before Entrance:** Initially, applicants will fill out the CAF by providing personal details, address, educational qualification, and PG Admission Subject (Course Subject) for CPET-2023. An applicant can apply for multiple PG course subjects (limited to 05 subjects per candidate) as per his/her choice and eligibility while applying in the CAF for entrance examination-CPET-2023. This is required for preparing a subject-wise state-wide provisional rank list. In the case of multiple course subjects, additional fees per each additional subject must be paid. The CAF will indicate the total amount to be paid in such cases.
  - b) **Updating previous CAF after the publication of subject-wise state-wide merit list:** After the publication of subject-wise state-wide provisional rank, the candidate will be given a chance to fill up his/her choice of preference of Universities/Colleges/Subjects

as per his/her position in the subject-wise state-wide merit list and last year's cut off mark for each subject in a particular University/College. **A candidate is permitted to apply in a minimum of 5 and a maximum of 10 (Ten) options.** Provisional seat allotment will be done as per the choice of preferences, reservation, and weightage details provided in the CAF.

**Example:** For candidate submitting multiple options must provide the combination of subject and University/College, where he/she wants to get admitted in order of preference. For example, if one wants to apply for Public Administration at Utkal University, Political Science at Berhampur University, and Political Science at F.M.(Autonomous) College, Balasore with the first choice as Berhampur University-Political Science, the second choice is Utkal University- Public Administration and third choice F.M.(Autonomous) College, Balasore - Political Science. He must provide the combined option in the following manner-:

Option 1: Political Science @ Berhampur University

Option 2: Public Administration @Utkal University

Option 3: Political Science @F.M (Autonomous) College, Balasore

These must be clearly indicated in the CAF.

**(So, one candidate can exercise his/her option for a maximum of 05 subjects and a maximum of 10 nos. of options for Subject + University/Colleges Combination.)**

9. After submitting the Common Application Form (CAF), if any mistakes are encountered by the applicant or any changes are required by him/her, then s/he can edit the details once by entering the OTP received in his/her registered mobile number.
10. However, applicants can edit their Choice of Preferences till the last date of the timeline and his/her final Choice of Preferences (date and time will be mentioned in the CAF) will be taken into consideration for the seat allotment process.
11. **The Choice of Preferences will be captured once in a Phase. A phase will consist of a Maximum of 6 rounds of admission.**
12. **Applicants will not be allowed to edit their Preference of Choices after the deadline for choice filling**, i.e., applicants cannot change the order of their choices OR add any more choices OR delete any choices from the choice list after the deadline for choice filling.
13. **This year, seat allotment will be done based on the choice of preference instead of subject-wise allotment.**
14. **Applicants, who got selected his/her 1st Choice of Preferences in a Phase are compulsorily required to take admission, and will not be allowed to participate in the subsequent round of admissions and Phases.**
15. Applicants who got a seat in a round are advised to do the following options after publication round-wise selection:

**Float:** - If an applicant has accepted the allotted seat and also wishes for a **better Subject in their higher preferences for the same HEI**, they can choose this option.

**Slide:** - If an applicant has accepted the allotted seat but also wants a **better Subject as well as HEI in their higher preferences**, they can choose this option.

**Freeze:** - If an applicant is satisfied with the allotted seat i.e., **both the HEI and the Subject, they can choose this option.**

16. After selecting any of the options mentioned above as per their interest, candidates will have to pay the admission fees shown on the screen in online mode only.

17. **Whenever a seat is allocated, applicants are compulsorily to choose their option – Freeze, Float, or Slide – carefully. Not choosing an option means you are rejecting the offered seat and you will be out of the counseling process in the subsequent rounds.**

18. This year, the total career marks will be calculated out of 20. Candidates who obtained **60% or higher marks in aggregate with Honors/Major/Core will be given 10 Marks**, while those who secured **between 50% or above and below 60% mark in aggregate with Honors/Major/Core will be given 5 Marks.**

**Clarification regarding 4 Years Integrated B.A. B.Ed. & B.Sc. B.Ed. applicants applying for M.A. in Education or other eligible subjects in CPET**

---

***It is clarified that:***

- a) Four Years Integrated B.A. / B.Sc. B.Ed. has two parts i.e. one part contains SGPA and CGPA of B.Ed. component and another part contain the SGPA and CGPA of the Bachelor's Degree Component of a core subject ( For example, Physics, Mathematics, or History... )
- b) Therefore, such students can apply for M.A. /M.Sc. in their core subjects (M.Sc. in Physics/ Mathematics/ History.....), provided they have core papers in these subjects at 4 Years Integrated B.A. / B.Sc. B.Ed. level. They can do so by incorporating their 03 Years (Degree Component) total marks/SGPA/CGPA only as career marks (From Semester I to VI).
- c) If 4 Years Integrated B.A. /B.Sc. B.Ed. students want to apply for M.A. in Education, then their CAF will be rejected. They can apply only for M.Ed. (not covered under CPET).
- d) Only students having Education as Core Subject at the Degree level are eligible for M.A. in Education.

## 7. Principles for preparation of Subject-wise State-wide provisional rank:

### 7.1 Preparation of subject-wise state-wide provisional rank

- 7.1.1 The subject-wise minimum eligibility for the CPET-2023 is available on the SAMS website. Please click on the link (<https://pg.samsodisha.gov.in/Eligibility.aspx>) to get the list. Those who have appeared in the Final Year/Semester Degree Examination-2023 can also apply and appear in the entrance test. However, they must upload their marks/CGPA by logging into the SAMS Student Portal as per the schedule. **Failing the submission of final degree results before the declaration of provisional rank will debar them from being part of the merit list.**
- 7.1.2 **During the academic session 2023-24, there will be no weightage for career marks in Matriculation and Intermediate (+2) and also no weightage for Distinction and Honors in Under Graduate(+3) level.**
- 7.1.3 The CPET-2023 subject-wise state provisional merit rank will be prepared by combining the career marks out of 20 and entrance marks out of 80.
- 7.1.4 This year, the total career marks will be calculated out of 20. Candidates who obtained **60% or higher marks in aggregate with Honors/Major/Core will be given 10 Marks**, while those who secured **between 50% or above and below 60% mark in aggregate with Honors/Major/Core will be given 5 Marks**. Applicants secured less than **50% in aggregate** shall not avail of any career mark and weightage marks. Their selection will be solely based on their CPET Entrance marks.

- a) Passed with **60% or higher marks in aggregate with Honors/Major/Core** at +3/Equivalent Exam – Secured CPET Mark + (10 + (Secured %/10))
- b) Passed with **50% or above and below 60% marks in aggregate with Honors/Major/Core** Marks at +3/Equivalent Exam – Secured CPET Mark + (5 + (Secured %/10))
- c) Passed with **6.5 or higher CGPA in aggregate with Honors/Major/Core** at +3/Equivalent Exam – Secured CPET Mark + (10 + (Secured CGPA-0.5))
- d) Passed with **5.5 or above and below 6.5 CGPA in aggregate with Honors/Major/Core** at +3/Equivalent Exam – Secured CPET Mark + (5 + (Secured CGPA-0.5))

7.1.5 The entrance examination will consist of multiple-choice type questions with 1 mark for a correct answer and zero for a wrong answer (no negative marking). The answers will have to be marked on OMR sheets as per the instructions given in the sheet. Each paper will be of 60 minutes duration with 80 multiple choice questions. The question will consist of the CBCS UG model syllabus 2019. In multi-disciplinary subjects where one dedicated Undergraduate course is not available, the questions will be from the UG curricula relevant to the subject applied for, with the distribution of questions decided by the relative importance of each.

7.1.6 Applicants are instructed to go through the previous year's questions available on the SAMS website to acquaint themselves with the pattern of questions.

## 7.2 Preparation of provisional allotment list:

- ❖ Provisional allotment will be prepared through a centralized selection process based on the subject-wise, state-wide provisional rank, choice of preferences as provided by the candidate, reservation, and weightage details provided in the CAF.
- ❖ **This year, seat allotment will be done based on the choice of preference instead of subject-wise allotment.**
- ❖ In case of identical in (entrance + career), the entrance mark will be taken for deciding merit. If entrance marks are also identical then career marks in the graduation examination (+3). If all these parameters are the same, then the applicant born earlier (DOB) will get the higher rank.
- ❖ Reservation policy of the Government of Odisha will be strictly followed in preparing the provisional allotment list.
- ❖ Persons with Disabilities selected on their merit without relaxed standards, along with other candidates shall not be adjusted against the reserved share of vacancies. The reserve vacancies shall be filled up separately from amongst the eligible candidates with disabilities, which will thus comprise persons with disabilities who are lower in merit than the last candidate in the general merit list but otherwise found suitable as an applicant, if necessary, by relaxed standard available for persons with disabilities. The same procedure is also followed in the case of the SC and ST candidates.

### 7.3 Preparation of Selection Process:

During the academic session 2023-24, **Counseling Based Online Admission Process** will be implemented for P.G. admission. The detailed process is as follows;

- a) The Preference of Choices will be captured once in a Phase. A phase will consist of a Maximum of 6 rounds of admission.
- b) Applicants, who got selected and taken admission in his/her 1st Preference of Choice in Phase, will not be allowed to participate in the subsequent round of admissions and Phases.
- c) Applicants who got a seat in the round are advised to do the following options after publication round-wise selection:
  - i. **Float** - If an applicant has accepted the allotted seat and also wishes for a better Subject in their higher preferences for the **same HEI, they can choose this option.**
  - ii. **Slide** – If an applicant has accepted the allotted seat but also wants a better **Subject as well as HEI in their higher preferences**, they can choose this option.
  - iii. **Freeze** – If an applicant is satisfied with the allotted seat i.e. **both the HEI and the Subject, they can choose this option.**
- d) After selecting any of the options mentioned in 7.3 (c) as per their interest, candidates will have to pay the admission fees shown on the screen.
- e) After getting selected in the first round, if a candidate opted for the slide-up option then in the subsequent rounds the options like **"Float" & "Freeze"** will show.
- f) If an applicant has been allotted a seat in a round other than 1st round, then the applicant compulsorily accepts the seat by opting for slide/Float/freeze along with the payment to remain in the admission process.
- g) In every round, the candidate must opt for one option out of the displayed options to change/remain in the process. If the applicant doesn't opt for any option then the previous option will continue till the last round or allotment in 1st option.
- h) If you are allotted a seat in a round other than 1st round, then the applicant compulsorily accepts the seat by opting for slide/Float/freeze along with the payment to remain in the admission process. Once the applicant opted for freeze, then s/he has to pay the displayed admission fees and report at the HEI for completion of admission formalities.
- i) An applicant once paid the displayed admission fees by selecting slide/float then s/he need not be required to pay the differential amount in each round till the final round or opt for freeze.
- j) **Applicants who got selected in 1<sup>st</sup> option or opted for "Freeze" are compulsorily required to take admission in that particular round, otherwise, their candidature will be canceled and the same seat will be allotted to another eligible candidate.**

## 8. Payment of CAF Fees and Admission Fees:

Applicants compulsorily deposit their CAF Fees and Admission Fees online mode only through prescribed gateways. **Sub: Countersigning of certificates of Sportspersons for admission into Educational Institutions.**

Madam/Sir,

In inviting a reference to the subject cited above, I am directed to intimate you that Educational Institutions such as KVS, DAV, CBSE /ICSE Schools etc. send their sports teams to the National School Games (Conducted by SGFI) directly without routing through the State Schools Sports Association. Therefore, Sports & Youth Services Department, Govt. of Odisha, after careful consideration, in its Letter No : 2390/S&YS/dt.29-02-2016, has clarified that in such cases, suitable Officers of Regional/State Office of such Educational Boards may be the competent authority to countersign the certificates. (Director/Secretary of S&YS Dept. or Director of Secondary Education are not the countersigning authorities in this case.)

Therefore, in such cases, you are requested to accept the sports certificates (certificates issued by SGFI for National School Games), countersigned by any designated officer of the Regional/State Office of the Board concerned (For Example : for KVS, Deputy Commissioner or any designated officer of KVS, Bhubaneswar Region, Odisha), and allow the students to avail the weightage as mentioned in Common Prospectus 2019.

Certificates not issued by SGFI and/or certificates not pertaining to National School Games are not eligible for any weightage, even though counter-signed by designated authority of these Boards.

**This is treated as "Most Urgent"**
