M.A in Tourism & Hospitality Management (MA-THM)

B.J.B (Autonomous) College

This programme equips students with skills relevant to the travel, tourism and hospitality industry. The objective is to train that sort of people who would be best suited to take up the Administrative and Managerial challenges of the Tourism, Travel and Hospitality sectors.

The Department of MA-THM has started functioning from the academic session 2015-16. This department is committed to provide the best inputs for preparing the scholars through its two-year regular management programme. The programme covers the general management and industry driven curriculum and equips students with the analytical, strategic and policy-making skills required for sustainable tourism management within both commercial business enterprises and the public sector tourism industry.

Pedagogy:

To facilitate integrated learning in the department, different methods are followed to make it highly participative. The pedagogy comprises interactive class room sessions with active students' participation through case presentations, quizzes and exposure to real life situations through frequent seminars and workshops conducted by executives invited from travel and tourism industry. The course and teaching pedagogy are carefully geared up to suit to a highly competitive and fast changing tourism environment.

Department-Industry Interaction:

The department will closely interact with industrial houses through, Consultancy, Summer Placement Programme, Project Work Assignments, Guest faculty System and Membership of professional bodies. Executives from various organizations will be appointed as the members of Board of Studies.

Computer facilities:

The department will provide computer facilities in a well-furnished computer lab with Internet connections of the College for the use of the students and faculty members.

Library facilities:

Besides the College library which is the central library of the College, the department has its own library consisting of reference and text books for the use of faculty members and students. The department will also subscribe newspapers, periodicals and journals of national and international repute for the use of students and faculty members as well.

Our publications:**Journal**

The department will publish an annual journal "Paryataka" which will contain research papers contributed by students, faculty members and resource persons from industries and management institutions.

Wall magazine

The students will bring out the creative wall magazine contributed by both students and faculty members. The wall magazine will be published fortnightly.

Professional interactions:

Seminars on various topics will be held once in a week. Both students and faculty members will participate in such seminar activities. Besides, experts in the subject will also be invited from reputed institutes/universities/industrial houses to address the students.

Cultural:

The department will feel proud of its students those having talents in music, dance, literature and other allied fields. Musical concerts, plays, dances and mimicries will be organized by the students during the annual function to be celebrated every year. Inter-departmental competitions will be held on debate, business quiz, antakshri, etc. to promote creativity in the students.

Curriculum:

With the increasing demand for tourism and hospitality human resource professionals, the department administers a realistic course curriculum in consultation with academicians and industry experts. The two-year post-graduate programme - M.A in Tourism & Hospitality Management covers the following papers through semester system.

Summer Training:

After completion of Semester-II, students have to undergo 4-6 weeks Summer Training Programme in Corporate or related service organizations. They are supposed to submit a training report for valuation.

Annual Project Work:

During Semester-IV, all the students are required to undertake Annual Project Work on a topic relevant to Tourism & Hospitality Management. The topic is decided in consultation with project guides.

Attendance:

A minimum of 75% attendance is essential for a student to be eligible for appearing at the University examination.

Regulations for Semester Examination System:

1. The course contains 4 (four) Semesters. Each Semester is having 6 (six) Papers each. Each Paper is of 100 marks
2. The distribution of marks is as follows:
 - i) There will be one Mid-term examination of 20 marks to be conducted by respective teachers
 - ii) End-term examination will carry 80 marks per Paper

Pass Marks for the MA-THM shall be as per the other PG courses of this college. A student has to pass in all subjects in Mid-term and End-term examinations separately in each semester. A student can repeat the subject, if failed; provided he/she secures minimum 40% marks in aggregate in the semester. Such repetition is allowed for once within two subsequent academic years.

A student can improve "division" by re-appearing for an examination. Such reappearance is restricted to two subjects only. In case of such reappearance, the marks obtained are lower than the earlier; the higher marks would be considered as final marks. This type of reappearance is for one time only and can be allowed within two academic years from the year of regular appearance.

A student can not repeat in practical, dissertation, etc. which he/she has to appear at his/her regular session.

A student has to undergo summer training and project work which are compulsory and part of course curriculum. The students are required to submit reports after each industrial tour. This may be followed by Seminars.

Each student has to present a seminar paper on any topic during each semester in presence of all faculty members and fellow students in consultation with a faculty member as guide.

In the fourth semester, the group seminars are compulsory which will be conducted in presence of all faculty members and an external. In the dissertation viva-voce, two externals (one from academics and another from industry) will be present.

Admission Procedure:

1. Any graduate securing 40% marks in aggregate in +3 examinations shall be eligible for admission into M.A. in Tourism & Hospitality Management.
 2. The admission will be on career-cum-entrance test basis. Career marking will be based on division secured in HSC, +2 and +3 examinations.
 - i) Career marks will be of 75 marks
 - ii) Entrance marks will be of 75 marks
