

# B. J. B. AUTONOMOUS COLLEGE

BHUBANESWAR 751 014, ODISHA

<https://bjbcollege.in>

---

## Criteria VII

### 7.3.1 Institutional Distinctiveness

## USPs of this HEI

### Institutional Distinctiveness

Some of the distinguishing features of this HEI are as follows:

- i) Name of the College as the symbol of Legacy, Heritage and Asmita (Identity) : One of the most distinctive features of our College is its name and the history behind that name. It has been named after that legendary freedom fighter Buxi Jagabandhu Bidyadhar Bhramarabar Ray Mohapatra who was the key figure behind the Paika Rebellion of 1817 which had taken place 40 years before the Sepoy Mutiny of 1857. Based on its timing and implications, many view the Paika Rebellion as an early revolt towards attaining Independence. The naming of our College after such an iconic personality is a matter of great glory and pride.
- ii) First Choice among the aspiring students: This College has the distinction of being the first choice among the students hailing from all parts of Odisha as well as from some neighboring States. The Cut Off marks obtained by such students reveal their high scores. Students attracted to this Institute from various backgrounds contribute to the rich, diverse and expanded character of our College.
- iii) Highest admission rate of the marginalized sections of society: The inclusive nature of this HEI has been further emboldened by the highest admission rate of the disadvantaged and marginalized sections of the society like the S.C, S.T, differently abled and Minority students.
- iv) Exemplary Progression: Since this Institute has more U.G programmes than the P.G ones, most of the students go for higher studies elsewhere. Such migration helps in making the progression one of exemplary percentage.
- v) Representation of girl students: Over the years it is being observed that the strength of the girl students here is quite impressive – almost evenly balanced with number of boys. The conducive, safe and warm atmosphere of the College attracts girls to join in large number who are, of course, selected on the basis of principles laid down by the Government. Their campus presence eventually helps them to get empowered and realize their voice, visibility, agency and self-identity better. Both the girls and boys also benefit immensely from the advantages of Co-education.
- vi) From Woman Head of the Institution to many other Women Heads: Presently, this HEI is being headed by a Woman Principal. Besides the Controller of Examination and the Chief

Co-ordinator and the Co-ordinator of NAAC are also women. Further, significant assignments of this College like those relating to Library, Associate Bursarship, NEP, UGC, YRC, N.S.S, Calendar, Syllabus, Rovers and Rangers & Sports etc. are being handled by Women. Most of the NAAC Committee Members are women. The P.E.T of this College is a Woman. In the Office, the crucial Accounts Section is being led by a lady official.

- vii) 20 Departments, 15 Female HoDs – This HEI has a total number of 20 regular Departments out of which 15 are now being headed by Women – the figure stands at 75%. This is another instance of greater gender representation at the Faculty and decision taking Officers' levels.
- viii) More than majority of the faculties are female: Our College has a regular faculty strength of 72 out of which 44 are women – the percentage being more than 61. This fact further explains the gender demography at the faculty level in our College. The pertinent point to be added here is that in our Institute, there is a perfect and most cordial professional relationship among the students and the members of the Staff – both female and male. Two visually challenged teachers of Our College are contributing their best for the Institute.
- ix) From Text to the Context, Classroom to the larger Society : Various Courses and Programmes being offered at the U.G and P.G Levels in Our College are not restricted to Chalk and talk nor to Textbooks, Class Rooms and Laboratories only. There are provisions for practical exposure of students to field study, Project-based papers and direct ground interaction by ways of well designed outreach programmes. This HEI also takes up its institutional social responsibility by conducting various extension activities. Wings of the College like NCC, YRC, N.S.S, different Clubs and Societies regularly undertake programmes related to literacy, afforestation, gender awareness creation, community health, voter sensitization, national integration and blood donation independently or in collaboration with other bodies of the Government and the Civil Society. During local / national / global / social occasions like Ashokastami, Ratha Yatra, Bahuda, Baliyatra, anti-Aids Campaign, Azadi Ki Amrit Mahotsav, Polythene free campaign and Adult Education Programme etc., our students act as volunteers including as traffic volunteers to help the Law & Order Authority. This College while excelling academically has made an enormous impact socially.
- x) Outreach presence beyond the Campus : Anthropology and Sociology Departments of this HEI have involved themselves in experiential learning from social lives in rural areas and by adopting several villages to bring about changes in the lives of chosen targets. Zoology

Department has connected itself to the larger world of flora and fauna by studying the habits and the Habitats of Birds and getting linked to Wildlife / Zoological Forum of Odisha.

- xi) Timely disposal of R.T.I Cases – Matters relating to R.T.I are taken very seriously by our College. No R.T.I matter is pending with the R.T.I Section. We have a dedicated R.T.I Cell with P.I.Os, A.P.I.O and Dealing Assistant to address to R.T.I issues in time, as per rules and in a proactive manner.
- xii) B.J.B College as the Cynosure of all eyes : Most in the knowing, aspiring and opinion making circles of the State and beyond look forward to this College as a role model. It is also the most visited and digitally searched Public Institution of the State. Bright and eligible candidates join this College as faculties on the recommendation of a Constitutional Body called OPSC. At times of posting and transfer, our College is invariably the favoured first choice.

This HEI is treated as a kind of academic and intellectual centre of enduring attraction by all.

### Additional Information

As a premier HEI of the State, this College is striving all out to make the Campus more lively and compatible towards developing the students multidimensionally, organically and holistically. Its focus is always on affordable, accessible and quality higher education. Being a co-educational institution, it holds in high esteem and puts into action gender equality, equity and non-discrimination. Further, this College values national unity, secularism, inclusivity, pluralism and diversity which are central to its ethos.

Every year, all the Departments of the College welcome the freshers and bid farewell to the outgoing students by way of establishing lasting and meaningful bonding. Students are also encouraged to showcase and hone their singing, dancing, acting, speaking, writing, seminarian and various other creative talents by organizing appropriate co-curricular and extracurricular activities throughout the year.

The following are some of the particularly significant and unique features of this Institution-

- Regular PTMs : PTMs (Parent-Teacher Meetings) are held on regular basis in the most transparent, open and honest manner where parents are shared updates about their wards' academic progress, attendance, accomplishments and experiences as and when those are available to ensure trust and teamwork through such interfaces and elicit feedback.
- Effective Cells & Committees : Dedicated and effective Cells & Committees are in place which include Cells for Career Counseling, Placement, Anti-Ragging, Anti-Sexual Harassment, Grievance Redressal, Equal Opportunity and Women's Welfare and Committee for Internal Complaint.
- Eco-friendly Campus : The Campus of this HEI is eco-friendly with properly maintained Herbal Garden and provisions relating to Mushroom Culture, Apiculture, Vermicomposting and Rainwater Harvesting.
- Auditorium in the offing: Foundation stone has already been laid for construction of a multipurpose and well furnished Auditorium of approximately 1000 sitting capacity.
- Two New Hostels ready for use : One G+7 Girls' Hostel and another G+5 Boys' Hostel are ready for the use, access and benefit of the students.
- Quality Base of the student intake : The student intake in the three Streams namely Arts, Commerce and Science is of top category considering the fulfillment of highest cut off points by the admission seekers.
