MA IN PERSONNEL MANAGEMENT AND INDUSTRIAL RELATION (MAPM&IR)

B.J.B (AUTO.) COLLEGE

The Professionals with specialization in Personnel Management and Industrial Relation have become more imperative in the context of the rapid stride in business and industries not only in India but also in the world over. With the objectives of preparing such professionals to cater the needs of business and industries a noble endeavour has been taken with the govt. permission in B.J.B (Auto.) College, Bhubaneswar.

The Dept. of PMIR has started functioning from the academic session 2012-13. The Dept. is committed to provide the best inputs for preparing the scholars through its two-year regular management programme.

Department-Industry Interaction

The department will closely interact with industrial houses through MDP, Consultancy, Summer Placement Programme, project work Assignments, guest faculty system and membership of professional bodies. Executives from various organization will be appointed as the members of board of studies.

Computer facilities

The department will provide computer relocation in a well-furnished computer lab with Internet facility of the college for the use of its students and faculties.

Library facilities

Besides the college library which is the central library of the college, the department has its own library consisting of reference and text books for the use of faculty members and students. The department will also subscribe newspapers, periodicals and journals of national and international repute for the use of students and faculties.

Our publications

i. Journal

The department will publish an annual journal THE SANGEETA which will contain research papers contributed by students, faculty members and experts from industries and management institutions.

ii. Wall magazine

The students will bring out the creative wall magazine contributed by both students and faculties. The wall magazine will be published fortnightly.

Professional interactions

Seminars on various topics will be held once in a week. Both students and faculty members will participate in such seminar activities. Besides, experts will also be invited from reputed institutes/universities/industrial houses to address the students.

Cultural

The department will feel proud of its students have talent in music, dance, literature and other allied fields. Musical concerts, plays, dances and mimicries will be organized by the students during the annual function to be celebrated every year. Inter-departmental competitions will be held on debate, business quiz, antakshari etc. to promote creativity of students.

Curriculum

With the increasing demand for human resource professionals, the department administers a realistic course curriculum with regular modifications by experts. The two-year postgraduate programme on Personnel Management and Industrial Relations covers the following papers through semester system:
