

National Pollution Day

dt. 02.12.2025

The Department of Chemistry in collaboration with IQAC, organised an extramural lecture on the occasion of National Pollution Control day on dt 02/12/2025. Dr. Bishu Prasad Biswal, Reader in chemistry, NISER, Bhubaneswar delivered an enlightening talk on "Metal organic Framework: Smart materials for a cleaner planet". He also motivated the students to take up research work leading to a clean and green earth. The programme was highly successful and created an awareness among us to control all types of pollution in our daily life.
